## Happy Thanksgiving

Thanksgiving is a time to give thanks to everything we have been blessed with. The staff here at the facility are so blessed to be here with all the residents. They are such a blessing. To be able to just make one resident smile or laugh, is worth everything to us.

We will be having our Thanksgiving Dinner Monday night

November the 19<sup>th</sup> at six o'clock.

This Thanksgiving dinner is for all the residents and two family members per resident. Please RSVP to the activity department by November 15<sup>th</sup> for reservations.

The menu for Thanksgiving Dinner is:

Turkey, special dressing, cranberry sauce, mashed potatoes, sweet potatoes, yeast rolls, pumpkin and pecan pie.

There will be live entertainment with Seniors on Stage. We hope you will come and join us.

## *Alzheimer's Patients Prayer*

Pray for me I was once like you. Be kind and loving to me that's how I would have treated you.

Remember I was once someone's parent or spouse. I had a life and a dream for the future. Speak to me I can hear you even if I don't understand what you are saying.

Speak to me of things in my past of which I can still relate .Be considerate of me, my days are such a struggle

Think of my feelings because I still have them and can feel pain. Treat me with respect because I would have treated you that way. Think of how I was before I got Alzheimer's. I was full of life I had a life, laughed and loved you. Think of how I am now, my disease distorts my thinking, my feelings, and my ability to respond but I still love you even if I can't tell you. Think about my future because I used to.

Remember I was full of hope for the future just like you are now. Think how it would be to have things locked in your mind and can't let them out. I need you to understand and not blame me but Alzheimer's. I still need the compassion and the touching and most of all I still need you to love me.

Keep me in your prayers because I am between life and death. The love you give well be a blessing from God and both of us will live forever. How you live and what you do today will always be remembered in the heart of the Alzheimer's Patient.

## *Alzheimer's Memory Walk*

Our Alzheimer's Memory Walk is November 17<sup>th</sup> 2007 at Wilkes Community College. The facility has been working very hard with fund raisers, to raise money for this very special cause. Staff has had luncheons once a week, very beautiful pictures and baskets raffled off, delicious deserts, donuts, selling home interior candles, there will be a yard sale coming up and much more. Please participate in this event. It is for a very good cause.

Thank you for your cooperation
